---

## Projects

**Credenza | React, Tailwind CSS, NodeJS, Firebase | github.com/Shironium09/Credenza**

Engineered a website for E-certificate generation that allows users to generate the certificates and be able to send them to the participants as well as Google Drive archiving, used by different organizations such as Google Developers Group on Campus - USC and AIPilipinas

**Alexandria | NextJS, Tailwind CSS, Supabase | github.com/peaceyyy/Alexandria---DCISM-Research-Repository**

Helped in developing a hub for research and thesis paper repositories, focusing more on the UI/UX design of the system

**Leftover | React Native, Expo, Supabase, Google Gemini AI | github.com/Shironium09/Leftover**

Developed a mobile application that allows users to decide on recipes and dishes to cook given the available ingredients with the help of AI

**Angbot | NextJS, Tailwind CSS, Typescript | github.com/devliqht/angbot**

A RAG-based project that integrates a chatbot into your Discord servers, which also includes a dedicated Web-based dashboard for customizability

**Colloquium | React, Tailwind CSS, Supabase, Python | github.com/Shironium09/Colloqium**

Developed the front-end for a web-scraper for research and thesis paper conferences

**Awas | NextJS, Tailwind CSS, Supabase | github.com/matchacone/Awas**

A hackathon project in compliance with the Sustainable Development Goal number 6 which provides users the ability to report and monitor water outages in the areas

**Cebu Plant Depot POS and E-commerce Website | HTML5, Bootstrap CSS, PHP, MySQL | github.com/24102070/Cebu_Plant_Depot**

Developed a simple E-commerce and POS system for a small Cebu-based business

---

## Education

**University of San Carlos** - **Cebu City** | 2024 - Present

- Bachelor of Science in Computer Science
- Consistent Dean’s Lister

---

## Certificates

- Cisco Networking Academy: CCNA – Introduction to Networks
- Cisco Networking Academy: CCNA: Switching, Routing, and Wireless Essentials
- RACCETCon 2026 - Guest Speaker (Breaking the Barrier: Bridging Hardware and Software)
- PhilNITS Fundamental Information Technology Engineer (FE) Exam Passer

---

## Organizations

- Google Developers Group on Campus - University of San Carlos | Web Development Officer | 2025 - 2026
- Google Developers Group on Campus - University of San Carlos | Creative Designer Head | 2026 - 2027
- Computer Information and Sciences Council | Ways and Means Officer | 2026 - 2027
